“ Cindy, Van, and family: Mike and I are praying for peace and comfort for you. Losing a brother is so hard, but as I've read comments, your brother was a follower of Jesus! What a wonderful legacy he's left for his family. May God comfort you in the days to come and may you feel His peace in knowing there is only perfection in the arms of our Lord and Savior.

“ I have not known Wil very long, but in the few encounters we had, I could tell he was very passionate and compassionate for people, especially sick children. He had a big vision because he knew he served a big God! To Charlotte, my sweet friend, I can't begin to imagine your grief, but I know you shared Wil's big heart and you know your God too & He is the God of comfort. My condolences & prayers to the whole family! Wil just went to sleep & woke up in the arms of Jesus!

“ I can remember the many days we spent together taking kids from the children's foster home in Monroe and Ruston so we might show these kids a little about the outdoor lifestyle that we loved. He truly showed a passion for other people and Jesus Christ. He lived and breathed it especially in the last couple years as he he had a Vision for Team Commandments 1&2. You'll be missed here on earth my friend. RIP Wil Dale.

“ The most impressive part of the few time I spoke with Wil was his love for the Lord and the work he felt called to do for Him. Even though we never got the chance to meet in person he left a lasting impression on me of being a servant for Christ. Thanks Wil for following Gods lead in your life. Godspeed .
