“ Billy was sitting in Kentucky at my house in the grandkids playhouse while I “Ricky” was at work. You can see Bridgette’s boys in the background. Lol

“ RIP my childhood friend and neighbor.

So many great memories of spending time with you and your family, playing cards, eating your moms great cooking, going fishing and getting nasty drunk for the first time in your back yard and you teaching me how to drive your truck. I’ll cherish theses memories forever.
